

# QUALIFIED ELECTRIC BIKE OR SCOOTER SHOULD COME WITH "APPROVAL CERTIFICATE"

Purchase a qualified electric bike or scooter for safety reasons.

**1** Qualified electric bike or scooter should have safety equipment: headlights, taillights, turn signal lights, brake lights, and side mirrors.

**2** "Approval Certificate"「審驗合格標章」 should be at a noticeable place. Before Jun 30th, 2016, the certificate sticker should adhere to the head tube. After July 1st, 2016, the plate should be hung at the rear end.
